MOBILIZING ACTION: FAMILY CAREGIVERS IN CANADA IS A TWO YEAR PROJECT (APRIL 2014- MARCH 2016) DESIGNED TO:
1. Develop an Action Plan to influence future policy directions and programming to supporting family caregivers.
2. Broaden awareness of caregiver needs and understanding of the Action Plan through integrated communication strategies.

NOTABLE MOMENTS FOR MOBILIZING ACTION: DEFINING THE ACTION PLAN

SETTING THE STAGE

2011 - A CARERS MANIFESTO: Carers Canada outlines priorities identified by carers and organizations that support them, releases Canadian Caregiver Strategy.

2013 - ACTION TABLE ON FAMILY CAREGIVERS: Canadian Cancer Action Network convenes over 40 stakeholders and caregivers identify solutions to reduce the financial hardships faced by family caregivers.

THE WAY FORWARD CAREGIVER CONSULTATIONS: Caregivers identify their needs in caring for someone with a life-limiting illness.

SHAPING THE VISION

APR 2014 - MOBILIZING ACTION: Launch of the coordinated initiative Family Caregivers in Canada.

LEADERSHIP AND DIRECTION

EXPERT OVERSIGHT: Formation of National Steering Committee and Caregiver Advisory Group.

COLLABORATIVE ENGAGEMENT

SEPT 2014 - ACTION PLANNING ROUNDTABLE: Over 50 stakeholders come together for 2 days to identify specific actions for governments, employers and health providers to support carers.

JAN- FEB 2015 - E-DELPHI CONSULTATION: Interactive discussions to reach consensus on and endorsement of the Action Plan.

ARTICULATING THE PLAN

JUN 2015 - INTEGRATED AND SHARED ACTION PLAN: A blueprint for coordinated actions to support carers. The Action Plan contains 7 strategic outcomes and 14 measurable indicators to support the achievement of 13 clear objectives and 92 recommended actions.

MOBILIZING ACTION

AUG 2015 - ENHANCED PROJECT SCOPE: Coalesce stakeholders to advance four priority objectives in the Action Plan.

SEPT - MAR 2015-16 - MOBILIZING ACTION TEAMS: 48 stakeholders (including caregivers) involved in four actions teams to share expertise and develop specific work plans to advance priorities.

1. Access - Create a case for technology enabled carers
2. Awareness – Targeted federal advocacy plan
3. Financial – Explore respite options for carers
4. Workplace – Engage employers in conversations about work and care

JAN 2016 - AWARENESS AND OUTREACH: Broad dissemination of Action Plan and group successes.

MAKING CHANGE HAPPEN

Sustaining the integrated and collaboration actions and achievement of shared outcomes.
## Mobilizing Action Teams: Creating Real Change for Caregivers

Through a collaborative and a shared model of engagement, Mobilizing Action Teams (MAT) plan, lead and undertake the execution of tactics to advance key objectives—awareness, access, financial, and supportive workplaces.

Carers Canada facilitates collaboration and operational coordination through the maintenance of the Mobilizing Action secretariat. This include ensuring collaborative engagement of Mobilizing Action Teams, facilitating ongoing active involvement of carers and supporting strategic communications.

### Awareness Mobilizing Action Team

|----------|----------------------------------------|-------------------------------|-----------------|
| Carers Canada  
Canadian Home Care Association  
Canadian Hospice Palliative Care Association  
Canadian Nurses Association  
Health Charities Coalition of Canada  
Helene Hardy, caregiver  
Janssen Inc.  
Lorna Scott, caregiver  
MS Society of Canada  
Parkinson Society Canada  
SEIU Healthcare | • Recognition in 2015 federal election  
• Prime Minister Proclamation  
• Campaign for National Carers Day – April 5, 2016  
– MP breakfast on Parliament Hill  
– Recognizing Working Carers | • Political champions for carers  
• Recognize carers in national health care strategies
